CATEGORIES DEFINITIONS

Since Cyclo-Cross World Championships are in January 2024, categories are based on rider's age as of December 31, 2024.

Novice

- Riders that are new to bike racing, cross racing, trying their first sports events or just getting back into competition
- Equivalent to racing Cat 4/5 on the road

- As with all of our categories if you are too fast we will give you a gentle nudge
- U13/U15 riders would typically choose this category unless they are high performance and choose to race Intermediate or Elite.

Intermediate

- Riders that have graduated from beginners. Faster but not quite fast enough to race Elite
- Equivalent to racing Cat 3/4/5 on the road
- Racer age 40+ Race Masters B
- U17 and U19 riders would typically choose this category unless they are high performance and choose to race Elite

Masters

- Masters riders must have a racing age of 40 or older (age as of Dec 31, 2024)
- Master C is for those mature Cat 4/5 road riders looking for bragging! (55 or older as of Dec 31, 2023).
- Masters "B" is equivalent to Intermediate or Cat 3/4/5 on the road. Masters "A" is equivalent to Elite or Cat 1/2 on the road
- Masters A and Elite race in the same field
 - Master A riders are scored separately for daily results

Elite

- Too fast for Intermediate, upgraded from Intermediate, or have finished in the top half of the Intermediate field consistently
- Riders holding a Cat 1/2 road license
- Racers age 40+ race Masters A (optional)
- Open to Juniors

Single Speed

- Open to all ages and abilities

Important Site Information

- The facility is open to the public throughout the year. Please respect others if you come down to pre-view the site. Do not train at race speed and please stay off the grass until race day.

Numbers / Timing / Scoring

- You will need to bring \$5 for race numbers and timing chip. These can be used for all LMCX races. If you have a number already, please use that one. You will still need to check in prior to your race.
- Numbers are to be pinned middle low back. Ensure they are visible.
- When multiple categories are combined into one race start (i.e., Elite / Master A Men) individual categories are scored separately for day-of results

Commissaires

- Cycling BC Commissaires will be used as per CBC's requirements.

Bike Requirements

- **Novice:** Gravel, Mountain and Hybrid bikes are allowed for Novice races though Cyclocross bikes are recommended (No Fat Bikes allowed)
- **Juniors/Intermediate/Masters:** Cyclocross (or Gravel) bikes are highly recommended for Intermediate and Master B races; Mountain Bikes are discouraged (No Fat Bikes allowed)
- **Elite/Masters A:** Elite and Master A races will be subject to UCI rules regarding equipment
- **Single Speed:** Bikes must be limited to one gear (No Fat Bikes allowed)

Prizing

- **Elite Men / Elite Women** - Elite Men & Elite Women will receive equal day-of cash prizing.
- Prizing may be adjusted according to field sizes

<u>1st</u>	<u>2nd</u>	<u>3rd</u>	<u>4th</u>	<u>5th</u>
100	80	60	40	20

All other Day-of Prizing

- Podiums and special awards will be awarded to the top 3 in all other categories.

LMCX Series

- Pumpkin Cross is part of the LMCX race series.

Medical / Hospital

- First Aid will be provided on site.
- The local hospital is: Ridge Meadows Hospital / 11666 Laity Street, Maple Ridge
- Maps are available at sign-on
