WELCOME REMARKS

The District of North Saanich, the District of Metchosin, the Town of Sidney, and the organizing committee wish to welcome all participants to the 2025 BC Road Cycling Championships, which will be held from May 30 to June 1, 2025.

This exciting weekend of cycling action includes the Provincial Time Trial Championships at Victoria International Airport, the Provincial Road Race Championships in Metchosin, and the Provincial Criterium Championships in downtown Sidney. These events are possible thanks to our volunteers, our partners and sponsors, and your athletic commitment to the sport of cycling.

Since 1994, the Victoria Cycling League (VCL) Racing Society has served as a platform for grassroots bicycle racing in the Greater Victoria Region. Between April and August annually, we offer various competition cycling formats, including road races, criteriums, time trials, hill climbs, and velodrome track racing. This year marks a new start for our organization. We recently achieved non-profit status and aim to bring together our community's many clubs and teams to create sustainable racing opportunities.

On behalf of the events' sponsors, communities, and volunteers who significantly contribute to them, we welcome you to the Provincial Championships and wish you every success at this year's event.

Sincerely,

Jon Watkin

President of the Victoria Cycling League (VCL) Racing Society

1. SPECIFIC REGULATIONS

- 1.1. The Provincial Championships are an AA-level sanctioned event. Therefore, UCI regulations are in effect for all championship categories. It is the athlete's responsibility to know the rules.
- 1.2. The Provincial Championships will occur on the scheduled date and time. Regardless of unforeseen delays or prolonged stoppages, the Championships will not extend past Sunday, June 1st, 2025; however, the racing format may be modified at the discretion of the President of the Commissaire Panel (PCP) and Technical Delegate.
- 1.3. Equipment regulations for all championship categories will be enforced, per UCI rules and CC's Companion Guide. **Exceptions include junior gearing (not enforced), and carbon wheels are permitted (correction for version 3).** Athletes must always have their hands on the handlebars while riding and racing. Athletes must compete in the clothing of their affiliated club/team, as per their license, or wear non-branded neutral clothing. Support staff are expected to wear club/team clothing in the road race feed zone. Support staff are expected to hold an active UCI technical license matching their associated role.
- 1.4. All athletes must wear a helmet that satisfies all [Canadian Standards Association \(CSA\)](#) or equivalent requirements. [Helmets are mandatory at all times in British Columbia.](#) Commissaires and organizers accept no responsibility for the conditions of the competitors' bicycles before, during and after each event. Bikes and equipment are required to comply with UCI and Cycling Canada regulations.
- 1.5. All athletes lapped or in danger of being lapped by the lead group may be eliminated at the discretion of the PCP. Once eliminated, athletes must withdraw from the race immediately; failure to withdraw immediately will result in disciplinary action.
- 1.6. All athletes must obey the rules of the road. Athletes must give way to Emergency Vehicles and, if required to do so, neutralize the race on their own, i.e., without instructions from an official.
- 1.7. Single-Event Licenses are only valid for the non-championship OPEN YOUTH categories.
- 1.8. All participants must enter their AGE class as shown on their 2025 license (age on Dec 31st, 2025).
- 1.9. **Temporary age upgrades are PERMITTED. However, we recommended athletes compete in their designated age category for safety, sporting spirit, government reporting, performance selections, and historical continuity. Please apply at cyclingbc.net/upgrade-request no later than 30 days before the event. We recommend that most young riders participate in the OPEN YOUTH events.**
- 1.10. **Eligibility to Race:** Per Cycling Canada's 2025 companion guide (1.2.028 N), this competition is open to Canadian citizens, permanent residents, landed immigrants, and individuals with refugee status in all categories, including UCI categories.
 - 1.10.1.1. Proof of citizenship status (passport, permanent resident card, landed immigrant status, or refugee status papers), including UCI categories, may be required.

- 1.10.2. BC residents must hold an active Cycling BC membership (Provincial Race or UCI Race license) and have a ROAD designation to participate in a CHAMPIONSHIP category.
 - 1.11. Eligibility to Win: Only BC residents with the necessary membership/license can win a BC Provincial Championship title and medals.
 - 1.11.1. Two podium presentations will occur if a non-BC resident (i.e., Albertan) places among the top three overall finishers in their race category. The first presentation will celebrate the race's finish order, and the second will commemorate the Provincial Championship.
 - 1.11.2. Provincial Championship titles, jerseys, and medals will be awarded regardless of the number of athletes in the category.
 - 1.12. If an athlete wins multiple championships, only ONE jersey is awarded. If the jersey provided during the awards ceremony is the wrong size, Cycling BC staff will follow up afterward. If an athlete wins multiple medals, only a maximum of one gold, one silver, and one bronze medal will be awarded.
 - 1.13. All protests concerning the finish order shall be examined and resolved by the PCP, whose decision is final and without appeal. Protests must be made verbally or in writing to the PCP no later than 15 minutes after the unofficial results are posted. There is no required deposit or payment to launch a protest. Final decisions will be announced soon, so podium ceremonies may proceed.
 - 1.14. All athletes finishing on the podium must attend the award ceremonies and wear their affiliated club/team cycling clothing. Failure to attend may result in a fine and loss of prize money. Athletes who cannot participate in the ceremony must advise the PCP or the Technical Delegate with a valid reason (travel or "catching a ferry" is not a valid reason). As per UCI rule 1.2.113, riders shall appear on the podium in competition clothing (i.e., no political messaging). Failure to do so will result in a fine and loss of the award (including prize money) according to UCI rule 2.12.007.1.4.
 - 1.15. Official race results will be released after the Finish Judge signs them and distributes them at the event check-in area. They will also be posted on the race's official website in the following days.
 - 1.16. It is against the law to urinate in public in British Columbia. If doing so, you may be cited by local law enforcement. Please also obey all traffic laws, speed limits, and law enforcement directions. Cycling BC Commissaires may enforce these rules concerning athletes and team staff, even if there is no citation by local law enforcement.
 - 1.17. All athletes must use the supplied frame number plate and body numbers, without modification (e.g., cutting, folding). One body number must be worn in the Time Trial, and two body numbers and a frame number must be worn during the Road Race and Criterium.
 - 1.18. Where it is deemed that the image or reputation of the event organization may be blemished, notably concerning anti-doping measures and the behaviour of any team member (management or athlete), the organizer reserves the right to exclude the athlete(s) or team member(S) involved at any time during the race.

3. RACE NUMBERS PICK-UP SCHEDULE

DATE	LOCATION
Friday, May 30th, 2025	Victoria International Airport Overflow Parking, 2:00 pm - 6:00 pm
Saturday, May 31st, 2025	Hans Helgesen Elementary School, 6:00 am - 11:30 am
Sunday, June 1st, 2025	Corner of Beacon and 4th Avenue, 8:00 am - 2:00 pm

Riders must pick up their numbers and/or **sign on** during these times.
Sign-on opens 70 minutes before the race start and closes 10 minutes before the race start.

Per UCI Rules, riders not signing in will be subject to a CHF 50 fine.

Trade Team managers can pick up race numbers by presenting their rider's UCI license; however, athletes must sign on at the check-in tent before competing each day (road race & criterium).

4. ANTI-DOPING

Athletes participating in the 2025 Provincial Road Championships who require the use of a medication included on the Prohibited List must apply for a Therapeutic Use Exemption (TUE) before participating in the event. CCES may conduct doping control. When athletes selected for testing cross the finish line, a chaperone will meet them. The location of the doping control station will be identified.

5. MEDIA REQUESTS

All media requests can go directly to the organizer.

All photographers and videographers hired by the event must wear a media credential, and in some instances, an official vest, to avoid confusion with on-site staff. Approved photo credentials may be picked up by contacting the Event Organizer.

6. MEDICAL

First aid will be available during all competitions. The medical team will treat athletes, staff, officials, and volunteers in the dedicated medical areas near the race start/finish.

Before the event, a medical support vehicle and staff will be available in the staging area at the start, approximately one hour before the race start each day.

During and after the event, a medical services tent will be located adjacent to the finish line each day to treat athletes immediately after the race.

The medical staff is led by a medical doctor, Bonnie Lunn

In case of further treatment, please visit any of these local hospitals nearest the competition venue.

- All riders shall start in one-minute intervals.
- Start times shall be posted on the event website on Thursday, May 29, 2025.
- The Race Organization reserves the right to seed the last 10 starters.
- Commissaires reserve the right to modify the start order and/or change the start interval time.

Parking:

Parking is available at the [overflow lot near the south end of Victoria International Airport](#). You must access the parking lot through Willingdon Road from Hwy 17 and past the west roundabout. There will be traffic control who will only allow participants through. Racers are to let the traffic controller that they are participating.

View driving directions from Swartz Bay Ferry Terminal: [View](#)

A portable bathroom will be available for riders and volunteers.

Course:

The time trial course starts northbound on Willington Road, near the parking lot. The course is 19.8 km for all categories and includes 2 right turns and 2 left-hand t-turns. The YELLOW LINE RULE is in effect. ROADS WILL BE CLOSED TO VEHICLE TRAFFIC (With the Exception of Race Official Moto)

[Click here to view the map on Strava.](#)

Safety & Regulations:

Warm-up on the race course is prohibited.

Under Cycling Canada policy, U17 and U19 road cyclists must compete in the time trial, road race, and criterium on only one bicycle, and neither bar extensions nor disc wheels can be used.

Staging:

UCI equipment regulations will be enforced. A jig will be on-site to measure the bike setup.

A voluntary bicycle check will be available before the competition.

We encourage athletes to check their bicycles in the JIG immediately after picking up their number or signing on. This way, if changes need to be made, you have adequate time to do so before your race.

Athletes must present their bicycles for measurement at least 15 minutes before their start. **Once approved, the bike cannot leave the start area.**

Number Placement:

All racers must pin their numbers properly to be readily identifiable at the finish line. Numbers may not be folded, defaced, or altered in any way. Should a number be lost, please report to the Commissaires before the start of the race for a replacement.

For the time trial, a single number must be worn on the lower back as seen in the diagram at the end of this section. Pinless number systems (i.e., pockets) are only permitted for events requiring one number.

Medical personnel suggest writing pertinent medical information (e.g., name, age, medical issues, and emergency contact number) on one of your race numbers.

Timing:

This event will use hand-timing by our Commissaire Panel.

Awards:

Unofficial results will be posted as soon as possible, and the award ceremony will follow, pending no protests and confirmation of the official results by the PCP.

Parking:

Please park ONLY in the designated areas (See BLUE AREAS in image below). Do NOT park on Windover Terrace or Rocky Point Road (See RED AREAS in image below)

Address: [4983 Rocky Point Rd, Victoria, BC V9C 4G4, Canada](#)

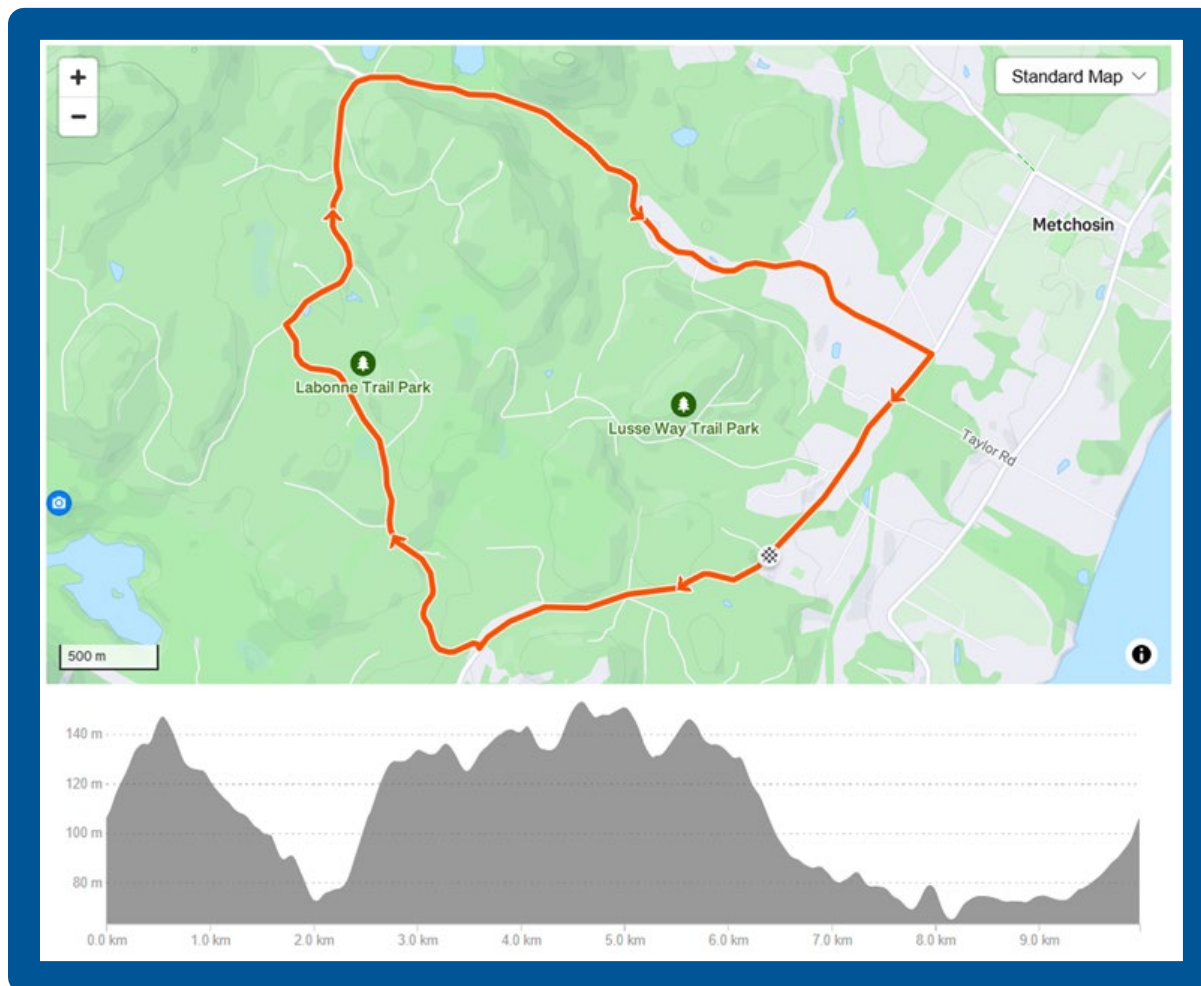

View driving directions from Swartz Bay Ferry Terminal: [View](#)

A portable bathroom will be available for athletes and volunteers. Athletes and volunteers who do not use the facilities provided will face the consequences set out by the Commissaires.

Course:

The road race course starts and finishes at Hans Helgesen Elementary School in Metchosin. It includes a 10 km loop with 222m of elevation gain per lap (clockwise). The YELLOW LINE RULE is in effect.

[Click here to view the map on Strava.](#)

Safety:

The roads will be marshalled; however, they are not closed to public traffic.

Use only the right lane. **Do NOT cross the YELLOW LINE.** If an athlete is dropped from the peloton, the athlete must exercise additional caution; the roads are open, and rules of the road apply.

Corner marshals will stop monitoring the race course once the last athlete crosses the finish line and is notified by the Commissaires.

Signs denoting 1 kilometre and 200 metres to the finish line will be placed on the right side of the road. Commissaires at the finish line will ring the final-lap bell when they cross the line to start their final lap. At this time, the lapboard will show one lap to go.

If a rider overtakes another rider in a separate race, the onus shall be on the overtaken rider to give way and fall back to avoid riding in company. An overtaking rider must pass on the left side as far apart as practical.

An athlete who suffers a duly noted fall, puncture, or mechanical problem in the last three kilometres of the Road Race will be given the same finish time as if the mishap had not occurred and will be placed at the end of any group with which they were riding at the time of the mishap.

Staging:

The defending champion (if in attendance) will be called up to the start of the race staging.

Start:

There is no neutral zone. The PCP will start the event by blowing an official whistle.

Feeding:

The feed zone is located at Rocky Point Road, approximately 20 metres after the start/finish. Two red pylons on the right side of the road will designate it. Feeding is prohibited in the first 30km and the last 20km of the race.

Athletes and team managers are ONLY to feed within this area and always on the right side of the road. In the feed zone, feeders must wear club/team clothing (e.g., a vest/jersey). Running in the free zone is FORBIDDEN. Team managers are responsible for any garbage left in the feed zone.

Other Support:

Athletes are responsible for ensuring their equipment (bicycle/helmet) is in safe and proper working order. A complimentary mechanic may be available for last-minute emergencies at the event's start (facilitated by the Event Organizer).

Neutral support is available during the road race. Spare wheels must be labelled with the athlete's name and number, and placed in the neutral follow car (near the start) no later than 15 minutes before the event start time. If a rider receives a "borrowed" wheel from the pits or service vehicle at the race, it must be returned immediately after the rider's race. All wheels can be claimed at the stage after each event. Neither the event organizer nor Cycling BC is responsible for lost or damaged equipment.

Each peloton will be accompanied by an RCMP lead motorbike, a Commissaire car (behind the main peloton), and a neutral support vehicle. Athletes must allow these vehicles to pass if/when necessary. It shall be understood that any drafting or other advantage taken from such vehicles is illegal and will result in penalties and /or disqualification of any rider violating this rule, at the Chief Commissaire's discretion.

Per the municipal permit, no other cars, including team support vehicles, are permitted within the race bubble. **Therefore, there is NO CARAVAN.**

Number Placement:

All racers must pin their numbers properly to be readily identifiable at the finish line. Numbers may not be folded, defaced, or altered in any way. Should a number be lost, please report to the Chief Judge before the start of the race for a replacement.

For the road race, numbers must be worn on the lower back as seen in the diagram at the end of this section, as well as frame numbers.

Medical personnel suggest writing pertinent medical information (e.g., name, age, medical issues, and emergency contact number) on one of your race numbers.

Timing:

This event will use a combination of electronic strip timing and hand-timing by our Race Officials Panel.

The Chief Commissaire will notify athletes in danger of being lapped by the group that they have been neutralized. In this case, athletes must ride safely to the finish line, retire from the event, and check out with the Commissaire Finish Judge.

Awards:

Unofficial results will be posted as soon as possible, and the award ceremony will follow, pending no protests and confirmation of the official results by the PCP.

Time Limit

For safety and logistics purposes, the time limit for this race venue matches the UCI standard and is set at 8% of the winning time. If athletes anticipate exceeding the time limit, they may be pulled on their last lap. In the results, athletes will be classified as OTL.

12. CRITERIUM PROVINCIAL CHAMPIONSHIP - MAY 31, 2025

Please ONLY park in the designated areas. Do NOT park on residential streets.

Address: [2423 Beacon Ave, Sidney, BC V8L 1X5, Canada](#)

View driving directions from Swartz Bay Ferry Terminal: [View](#)

A portable bathroom will be available for athletes and volunteers. Athletes and volunteers who do not use the facilities provided will face the consequences set out by the Commissaires.

Course:

The criterium course starts and finishes in downtown Sidney. It is 650m long with 0m elevation gain and features 4 right-hand corners. The roadways are closed to traffic, so racers can use the whole road.

[Click here to view the map on Strava.](#)

Safety:

- Warming up on the course while a race is in progress or at any other unauthorized time is strictly prohibited and will result in disqualification. Please respect the other racers by not warming up immediately behind the last-place rider in the ongoing race.
- An athlete who suffers a duly noted fall, puncture, or mechanical problem in the Criterium after the free laps (<5 to go) will be classified as OTL.
- Athletes in danger of being overtaken in the Criterium will be removed from the race at the discretion of the Chief Commissaire.

Staging:

For Elite categories, the call-up for the first 8 riders will be based on the results from the 2024 Provincial Championships.

Start:

A ceremonial pistol shot will be fired under the control of the Commissaires to start each stage, excluding the Time Trial. One of the Commissaires or a VIP will start each of the racers.

Feeding:

No feeding is allowed.

Other Support:

Neutral support will be available in the pits. Report to the pits after any incidents for support.

A complimentary mechanic may be available for last-minute emergencies at the event's start (facilitated by the Event Organizer).

Number Placement:

All racers must pin their numbers properly to be readily identifiable at the finish line. Numbers may not be folded, defaced, or altered in any way. Should a number be lost, please report to the Chief Commissaire before the start of the race for a replacement.

For the **criterium**, numbers must be worn on the lower back as seen in the diagram at the end of this section, as well as frame numbers.

Medical personnel suggest writing pertinent medical information (e.g., name, age, medical issues, and emergency contact number) on one of your race numbers.

Timing:

This event will use a combination of electronic strip timing and hand-timing by our Race Officials Panel.

The Chief Commissaire will notify athletes nearly one lap behind the leading group for their race that they have been neutralized. In this case, athletes must ride safely to the finish line, retire from the event, and check out with the Commissaires.

Awards:

Unofficial results will be posted as soon as possible, and the award ceremony will follow, pending no protests and confirmation of the official results by the PCP.
